With a love for beautiful paper, decorative typography and modern, elegant and classic designs, the Beaux Papiers Collection allows you to seamlessly blend the planning of your wedding with gorgeous designer wedding stationery.

Most of our stationery designs can be altered to suit your colour palette ... you may like to change the colour of the pattern or the font and or card stock to suit. Your designer will be happy to discuss how we can recreate a design to suit your wedding theme.

The Beaux Papiers Collection features an array of wedding stationery to suit your theme and are affordably priced to ensure that your dream wedding stationery is within your grasp. Beaux Papiers stationery designs can be conveyed across all stationery items keeping your theme consistent throughout your entire wedding. Your designer wedding stationery will set the scene for an equally stunning wedding, and our dedicated onsite Stationer will assist you in tailoring the perfect stationery suite. Inclusive of Save the Dates, Wedding Invitations, RSVP cards, Wishing Well cards, Order of Service covers, Place Cards, Menus, Seating Plans and Thank You Cards, the Beaux Papiers collection are all created on your choice of gorgeous shimmery metallics or luxe linens card, and will be admired by all.
